IN RESPECTFUL reply to a correspondent who wrote in regarding an error in which the wrong headlines got in the wrong article, will quote the usual defense—the speed with which a newspaper is assembled... and add the usual accompanying phrase: "It's a wonder there aren't more." They all make them. An Iowa paper heralded "BAD CONCERT TONIGHT." A Virginia paper ran this classified: "You can't heat this one, 9 rooms and 2 baths." And, once when responsible for everything that appeared in a fair-sized daily, was horrified upon checking over the day's product at home that night to find a list of birth notices on the sports page—and under the heading: FIGHT RESULTS.

NOW that I have been promoted to a back seat driver, sitting on the right side of the front seat, I have time to watch the scenery and read the signs along the road... And just then they had to cut out the double features at most movie houses so you don't get those funny combinations on theater marquees any more... Jimmy Burden did have a good combination last week, however... "The Trouble With Women—Passport to Nowhere." The sign bore out what a lot of fellows say... They can't get anywhere with them.

ALONG Wilshire boulevard a really firm boasts of its education with a bright neon sign "REED AND WRIGHT." Saw another sign "SLOUGH." MUSIC and approached it hoping that the smaller letters would indicate two undertaking gentlemen... But no, it was a landscaping firm... Mrs. G. said that was close enough... They were planters. Radio commercials have their funny side too... Rolling along listening to the car radio, heard one health insurance company touting their policy... "It pays all hospital bills—even maternity cases." One sign I don't like is along a Village street... It warns "No parking here—reserved for patrons." Must ask Chief Kettmann some time if that's o.k.... The sign doesn't add "By order of the P.D." Although I didn't have anything to stop for was tempted to park along that curb for a while.

THE MAIL is in its usual twice-a-year slump... At this time of the year the people still away are too busy, packing to come here, to write and those here are too busy unpacking... In May and June it is vice versa... One card did come, however, to the office... It suggested I stay home and wipe the dishes and play records and let Mrs. G. write this column... Whoever wrote that card doesn't know how much I endorse that sentiment... From Mexico City a letter from Roy Randolph... He's going great with his dance studio there, teaching the Mexicans the Mexican dances... He'll be back in the Village soon.

PEOPLE in the midwest and east—in about 650 cities and towns—had something on us out here in the West Sunday night... They got an extra hour of sleep when daylight saving came to an end at 2 a.m. yesterday... But they were just making up for the one they lost last April when daylight time became effective... Being a guy who is strictly regulated by the sun (and paid by The Sun) what it says on the clock doesn't bother me... I get up with the sun... When we had daylight time I was always an hour late... I used to go to bed with the sun, too, but quit that when I came here... 4 p.m. is too early... Dick joy of KCMJ, who has been on a hassle all week getting his programs in line with the time shift, is going to shudder when he reads this... He does whenever he hears somebody mention monkeying with the time.

JOY and Hal Davis of KCMJ and Police Chief Kettmann are co-operating in a move which I have long cogitated as a project... I believe that there should be some provision in the state traffic code whereby motor cops could forward the number of a good driver to state motor vehicle headquarters and they would send the motorist an official windshield sticker "GOOD DRIVER." And also a provision to label the other kind so you could keep out of their way... Davis over KCMJ each day cites some good driver... He gets the number from the police... Yes, they do average at least one a day.

GOOD-WILL—Boosters from Las Vegas, Nev., and Needles, Calif., flew into town last Friday to meet boosters of Palm Springs at a luncheon session and look-see around the Village. The theme of the gathering was a one-for-all and an all-for-one spirit for communities of the deserts. Las Vegas invited Palm Springs boosters to visit them later. The bid was accepted. ## Canine Royalty For Common Front to Rally Here on November 9

Las Vegas and Needles Boosters Fly Here on Good Will Tour to Promote Deserts

Elite of the dog kingdom in the Southwest will be paraded before the judges in the annual Palm Springs Dog Show here Sunday, Nov. 2, according to plans completed this week by the American Legion post with Jack Bradshaw, superintendent of the annual event.

Location of the big annual show has been somewhat of a problem to the Legionnaires since the Desert Inn mashie course now is back in circulation as a golf course, but it is believed that the Field Club may be obtained as the site. Tom Kiele, active in the Legion post, probably will head up the committee in charge of the show, it was learned from Jack Connell, post commander.

Held here annually since the early thirties except for the period of the war, the show has attracted dog owners and fanciers from many parts of the west. Last year's entry list was the largest in the history of the event. Hundreds of spectators come to the Village to view the dog royalty in the stiff competition.

Bradshaw, one of the best-known dog show operators in the west, has produced the show here since its inception.

Premium and trophy lists will be published within the next week under authority of the American Kennel club. Officers of the Legion post serve as officers of the Palm Springs Kennel club for purposes of the show.

On a goodwill aerial visit here, the objective of which was the promotion of a common "front" for advertising the desert and Southwest recreational areas, a party of 18 Las Vegas and Needles city, chamber of commerce and hotel people was feted Friday at the Doll House by officers and directors of the Palm Springs Chamber of Commerce.

The group flew here in a Douglas DC-3 plane which is being operated by the Bonanza Air Lines on flights between Las Vegas and Reno. The flight from Las Vegas required only one hour and 10 minutes flying time, excluding a stop at Needles where the mayor and other city officials were picked up for the trip to Palm Springs.

FOLLOWING the luncheon at the Doll House the visitors were given a tour through the residential sections of the Village and then shown the Palm Springs Tennis club over which they emitted many "oh's" and "ah's" together with a wish that something like it were available at the famous Nevada resort city. An invitation was extended to the Palm Springs Chamber of Commerce men for a return visit to Las Vegas, an invitation which President Florian Boyd assured them would not be passed up.

Heading the Nevada contingent were Otto Underhill, member of the board of directors of the Las Vegas chamber of commerce, and Ruth Lusch, director of publicity for the chamber. Mayor Harold Workman headed the Needles group. Edmund Converse, president of Bonanza Airlines, was a member of the party as also was Horace Kennedy, manager of the Hotel Last Frontier.

## Grandstand Seats for Series

KCMJ Puts Out Broadcast of Baseball Classic; Network Programs on New Time

Village baseball fans had grandstand seats to the World Series which got under way in Yankee stadium in New York today.

Coming from the mike of KCMJ with all of the color and glamour of the series itself in New York was a play by play story of the game with Rolland Vaile and Dick Joy officiating.

The games will be broadcast each day starting at 1 p.m. until either the Bombers or the Bums are crowned world champion.

THE BROADCAST is a continuation of the KCMJ program to give Village listeners the best and the latest. Last year's broadcast of the series met with high praise as Villagers were able to get a clear story of the game over the air waves.

The broadcast followed a week of headaches at KCMJ as they re-arranged all of their schedules due to the change-over from daylight time to standard time in the east at 12:01 a.m. Sunday.

All program times were different this week from last due to the time shift.

IN THE MAIN, the change meant the shifting of all CBS programs originating in the east, to a spot one hour later. But several programs were not that easy, going on new hours.

Co-ordinating these new hours with the local programs provided the headache as Palm Springs was on standard time all summer and shifting of the network programs meant re-alignment of the local programs.

To get the correct schedule, consult the KCMJ log on page 3 today. Inadvertently, the log was omitted Friday but appears today with all of the latest changes.

## School Drivers Warned After Injury to Child

Warning to all school bus drivers was issued yesterday by Sergeant Sam Tyson of the Indian division of the California Highway patrol, following the serious injuries of an eight-year-old school child Friday on Highway 99 when he was struck by an automobile after disembarking from a school bus.

According to Sergeant Tyson, the driver of the bus had failed to use proper precaution in safeguarding the lives of her charges on a busy thoroughfare.

"WHAT SHE FAILED to do," declared Tyson, "was to get out of her bus with a red flag in her hand and stop traffic before allowing her young passengers to disembark."

Detailing the cause of the accident the traffic official said that the bus had stopped and immediately behind it a large truck and trailer had also stopped to allow the youngsters to cross the street.

"Just as the children started across the roadway," said Sergeant Tyson, "an automobile operated by Myron Moreland, 50, swung around the truck and was too late to stop before his automobile struck sixth-grader Billie Brown, resulting in internal injuries to the child from which it may never recover."

"THE LAW," continued Tyson, "reads that if it is necessary on a busy highway, the bus driver must leave his place behind the wheel."

## Vets Quick to Aid Buddy

Amvets Provide Funds to Help Sailor, Hero of Pacific Campaign, to Get to His Home

Rocky came back to the Village the other day—H. (Rocky) Bryan, who at twenty-two had to learn how to talk and walk all over again and from whom World War II may never end.

Rocky Bryan came back to the Village because of all the nice things he remembered since coming back from the Pacific and the aircraft carrier on which he was seriously wounded—the hospitality of the people here, the merchants and Post 34 of Amvets, the enjoyable time he had here as a guest last Christmas. At that time he was one of a group of Birmingham Hospital patients who were flown to the Village for the holidays.

THE NAVAL HERO isn't quite well yet. Injuries to the brain, the kind that made it necessary for Rocky to learn to talk and walk all over again, have a habit of re-occurring and before his return visit here had passed a few hours, Rocky was in the hands of the local police.

He isn't dangerous, the doctor at Birmingham Hospital told Frank Bogert of Thunderbird Ranch and past commander of Amvets, who rushed from his

## September Building at Brisk Pace

24 New Homes and Six Apartments Are Started in Month

Twenty-four new homes and six hotel or apartment buildings with 29 dwelling units were started here during September. P. M. Swart of the building department reported yesterday. During the month just closing 60 permits were issued at the building office for a total value of \$562,000.

It was the sixth straight month in which building permits topped the half million mark. Building for 1947 to date stood at \$4,054,954 at the close of business yesterday when the month's books were closed.

DURING the corresponding month last year, building worth \$167,066 was started here.

The year to date, however, is below the total for last year at the same time. In the first nine months of 1946 the permit record was \$6,232,140. Almost half of this amount, however, was taken out in one month, March, 1946, when, with wartime restrictions relaxed for the first time, there was a record-breaking rush to build in the Village.

STUDY OF BUILDING figures here this year reveals a steady gain since April 1. The first three months of the year were fairly slow in so far as building was concerned but the past six months have seen \$3,347,750 in new construction started.

Average building operations here since April first have been \$650,000 per month. If that keeps up we're going to come close to that record-breaking year of 1946," said Swart. "On April 1 we thought we wouldn't even be close."

## Formal

Lions Will Start Season on Thursday

President Ray Sorum of the Palm Springs Lions club announced today that the first "formal" meeting of the club will be held Thursday, Oct. 2, at the Doll House.

There will be no speaker and the first session of the season will be a get-together and get-acquainted meeting. Lions will line up before the Doll House at 12 noon said Jack Schnepfer, secretary, to have their picture taken for the International Lions magazine.

"Turn out Thursday to be sure to get in the picture," Schnepfer urged.

## Cross-Country

New England Hears Village Police Radio

Palm Springs reaches out a long way over the ether airways—that is, even as far away as Nantucket Beach, Mass.

The Palm Springs police department was in receipt of a letter this week from that New England town reporting that the local shortwave police broadcast was heard by their police department.

The particular date the broadcast was heard in the East was September 21 at 3:30 p.m. and no doubt either Ione Coble or Rene Osborn, police clerks, was heard directing Jim Maynard, Harry Houghton or Ted Greene to Andreas road and Indian avenue to quell a disturbance.

## Crash Hurts Six

Six people were injured, two seriously, when the automobile driven by Bernardo V. Lerma, 40, 2972 Tenth street, Riverside, blew a tire and overturned in the vicinity of Thunderbird Ranch, Sunday at 4:55 p.m.

In the Coachella Valley hospital are the driver and one of the passengers, Victoria Mendoza. Minor injuries were suffered by four other passengers, Louis Mendoza, Welma N. Lerma, Feebe D. Lerma, Jose C. Najera and O. C. Najarra.

The accident was investigated by the California Highway Patrol out of Indio.

## Boys' Club to Pick up Three Prizes Tonight

Climax of the softball season which was pretty well dominated by the Boys' Club, will come tonight at around 7:30 o'clock at the Field club when the three trophies will be presented to the winners.

In this case, the winners are all the same—the Boys' Club. They will be awarded a trophy for the first league victory in June when they took four straight; for the City Softball league which they took six games to two lost and the Mayor's Trophy for victory in the city championship series, which they won in two straight games.

Following that they will meet each of the other four clubs in the loop for one inning.

On top of that, after the ceremonies in which Mayor C. A. Hyde will personally present his trophy, there'll be a party and a general good time.

Frank Partridge, recreational director, is in charge of the program.

## Directors of C. of C. Plan Open Session

Meeting To Be Held at El Paseo Theater Next Monday Night

To obtain unified and concerted action for the Village as a whole in connection with the seasons' program of activities, all members of the Palm Springs Chamber of Commerce and businessmen, whether they belong to that organization or not, are invited to attend an open meeting of the board of directors at the El Paseo theater building Monday night at 8 o'clock.

A special invitation to all new business men of the community was also issued by President Florian Boyd who pointed out that Monday night's meeting will present a good opportunity for new merchants and professional men to get better acquainted in the community.

HIGHLIGHTING the agenda for the session is the proposed change of membership dues scheduled by which it is hoped a one-pay plan can be worked out to eliminate the necessity for repeated drives for funds beyond the annual membership payment.

Another topic on the agenda is the change in membership dues from a flat amount per year to a sliding scale graduated on the gross income of the individual business.

CONSTRUCTIVE IDEAS will be sought from among the audience with the view in mind of making the forthcoming season the best in Palm Springs history. Reports of convention, hotel reservation, publicity and promotion and other departments of the chamber's work will be submitted to the meeting.

"We would like to have as many members as possible attend and join in this discussion," the chamber president said. "It is the desire of the directors of the organization to better know the wishes of its members, to spend the chamber's money where it will best promote the welfare of this community and to seek the advice and counsel of people interested in the organization and Palm Springs."

ONE OF THE MOST important subjects of discussion will be the current drive for publicity and advertising funds with which this city could be placed in a better competitive position with other winter resorts.

Of the 35 members of the board of directors, between 20 and 25 are expected to be present for this season's inaugural meeting.

The meeting is expected to be a spirited one with the chairman See DIRECTORS PLAN, Page 4

## Desert Inn to Open for 38th Season Oct. 9

The big iron grided gates of the Desert Inn will swing open October 9 for the first time this season, according to Joseph C. Geggie, resident manager, and the hotel staff will have only three days in which to prepare for the first convention in the Village, that of the California State Hotel association.

Opening of the Inn will mark the start of the 38th season for the famous hostelry here. It first opened its doors in the fall of 1909.

THE HOTEL MANAGER said that during the summer months 1500 feet of cement walks have been laid on the Desert Inn grounds and an abundance of flowers have been planted in the front grounds.

FOLLOWING the first convention the grounds and the hotel will again echo with the voices of those who plan to attend the Merchants and Manufacturer's Association convention, starting October 19 through the 23rd.

Then on October 24 and 25, the second annual Palm Springs round-up of the Men's Wear Manufacturers association, attracting several hundreds to the Village, will be held.

Geggie was highly optimistic as to business for the forthcoming season.

"Reservation requests are heavier now than they have ever been and we are looking forward to another great season."

## The PUBLISHER'S

by OLIVER B. JAYNES Kotner

PALM SPRINGS ASSOCIATES has been reorganized as a division of the Chamber of Commerce and will take over advertising and publicity for the Village. The generous support of all business and professional interests is needed to make this important community promotion a success. The campaign for funds was started too late last Spring so has now been resumed. Interests throughout the desert area surrounding Palm Springs proper are being asked to support the project, which will be designed to benefit all.

There are many good methods of obtaining publicity for this resort area. Buying advertising space is out of the question until a much larger sum is available. For the present we can do very well with publicity "hand-outs" to photo services, press services, and newspapers; together with department store window displays, an allocation to the All Year Club of Southern California, and folders. A publicity man will be employed immediately to get out pictures and publicity.

Only about half the amount needed to take care of minimum requirements has come in to date in cash and pledges. The committee in charge is depending on voluntary donations and pledges to carry them through this season. The fund is earmarked for advertising and publicity. Contributions should be made to the Palm Springs Chamber of Commerce. If yours has not yet been made, your assistance is solicited by the committee.

THE DOG LETTER sent in by a reader last week was so badly garbled by the printer that we suspect him of being a dog fancier—for the missive was unkind to America's favorite pet. Perhaps we should apologize to the writer of the letter, our readers—and all Village pooches!... And while we're making apologies, we might as well do a good job of it and say we're sorry to have left out KCMJ's radio log; just when a lot of program changes were being made, too. It's in this issue all right and starts off with the World Series, re-created play-by-play.

WE MIGHT SAY that the opinions expressed by Congressman John Phillips and Ethel Gillett Whitehorn in their columns in The Desert Sun are their own and do not necessarily reflect those of this newspaper. We do think, however, that they make very interesting reading; are informative and provocative... Which reminds us that readers are invited to express their opinions through this newspaper's "Open Forum" column, like the person who told how he—or she—felt about dogs. This is our readers' column and you are invited to use it.

## No Failure

Praise for Villager Crosses Continent

A few issues ago Conky, christened Arthur Bliss Conkwright, had a letter in the Saturday Evening Post complaining about too many "success stories."

"Give us one about a failure," for a change, he advocated. This week Conky got a special delivery, air mail letter from the magazine enclosing a photostatic copy of a letter written the editor by Mrs. J. B. Sherwood of Dallas, Tex., former Villager.

She thought the original letter intimated that Conky was a failure and informed the Post that he was anything but that. "He settled on the desert and has made a success of living," she wrote.

## Name Mrs. Bennett County Red Cross Regional Head

Mrs. Frank Bennett of Deep Well ranch, Palm Springs, was elected regional vice-chairman of the Riverside county Red Cross chapter at the annual meeting held at Riverside Monday. She will represent the Palm Springs, Indio, Chuckwalla and Coachella districts.

Elected chairman of the county chapter was Edith K. D'Eliscu. Mrs. D'Eliscu had asked that her name be dropped from the list of candidates but she was prevailed upon to change her mind. E. S. Easton, Pacific coast manager for the Red Cross, was the speaker of the day. His topic was "The Place of the Red Cross in the Community" and he told of the vast difference in the work and the calls upon, the Red Cross. The need is greater than ever, he pointed out.

## Plaza Theater To Open Oct. 4

Jimmy Burden, manager of the Palm Springs and Plaza theaters, said that the latter house would open for the season on Oct. 4 with a wealth of the newest features scheduled for showing here.

It had been planned to re-open earlier but a delay in arrival of materials in improvements being made at the theater caused the later date to be set.

Opening picture will be "Welcome Stranger," with Bing Crosby and Barry Fitzgerald together again and as big a success as they were in "Going My Way."

## Scouts to Launch Plans for Season Wednesday Night

Because of a conflict with football practice at the high school and a championship baseball game at the Field Club, the first meeting of the season of Boy Scouts and prospective Scouts, set for last Tuesday night, was postponed to next Wednesday night.

Scouts and all boys, 12 years of age and older, are invited to the round-up meeting, set for 7 p.m. next Wednesday at the Scout House on Sunny Dunes road.

Scoutmaster Scott Thompson said that plans are under way to organize at least two Scout troops here this season. Cathedral City now has a troop of its own and several boys from there who formerly belonged to the local Scouts are in that troop.

Thompson urged parents to send their boys to the Scout meeting next Wednesday night when the troops will be organized.

## Villagers Attend State Session of World Federalists

Palm Springs was well represented at the annual state convention of the United World Federalists which just closed its sessions in Los Angeles. There were almost 100 delegates present from chapters all over the state and large delegations from U.S.C., U.C.L.A. and Stanford.

Main purpose of the convention was to draft a constitution and by-laws and to elect a state executive council. Highly educational round table and group discussions of the work of the organization were held.

Present from Palm Springs were L. Sarup, Mrs. Eva Menard and Mrs. Barbara Sarup.

## Rental Service Office in New Location Today

Mrs. Florence Robinson, of the Palm Springs room rental service, has moved her office to 467 North Palm canyon, a short block north of her former location at 315 North Palm canyon.

This is the second year she has been conducting this service which is designed to get those wanting accommodations and those having them available, to get together.

The service was highly successful last year and filled a long-felt need here.

## Check License of Hit-Runner

Police are checking up on the ownership of an automobile which figured in a hit and run mishap at Indian avenue and Athol street.

The accident was reported by Harvey Roark of 278 Athol, who told police another car side-swiped his, damaging a front fender and sped on without stopping. Roark followed the other car and when the driver parked on Andreas road, sought his name and address.

The information was refused but Roark obtained the license number which he turned over to police.

Within an hour Johnson had acquainted Mrs. Zelma Copley, treasurer of the local Amvet post, of Rocky's situation. A bus ticket paying the veteran's bus fare to his mother's ranch in Utah was paid for and sufficient money given to him to pay for his meals en route.

### Limited Parking in Posted Areas Enforced Tomorrow

The pleasure of parking your automobile on Village downtown streets is all over.

Starting tomorrow if you should happen to forget the vehicle you left parked in the posted areas of downtown where the time limit is one hour, Traffic Officer Charley Valentino, will in the course of his duty, be forced to place a ticket under the windshield wiper which may cost you a trip to the city court.

No alibis will be accepted either, because all day yesterday, and today, Valentino has been up and down the posted area placing courtesy cards in each automobile warning against over-time parking as of October 1.

GREETINGS of Palm Springs were extended by President Boyd of the Chamber of Commerce, and Mr. Underhill responded for the Las Vegas chamber. He praised the attractiveness of Palm Springs and highly commended the building restrictions which he said were obvious in the spacing and design of the structures here. He also urged a greater community of activity among the resort areas of the West, explaining that in the East travel bureaus and chambers of commerce lump the Southwest into one "package" in promoting travel here.

Members of the Las Vegas party, other than mentioned above, included George Bagley, superintendent of the National Park Service, Boulder City; Don Ashbaugh, editor of the Boulder Journal and Las Vegas Evening Review Journal; William Belnap, Boulder City photographer; Morrey Brodsky, publicity director El Rancho Vegas hotel; Verna Suesov, staff writer for Las Vegas Evening Review-Journal; Harley Harmon Jr., public relations, Bonanza Airlines; Mimi Campbell, Las Vegas chamber of commerce; James Dugan, publicity director Hotel Las Frontier; Martha Klein and Florence Murphy, both of Las Vegas; Clarence Hancock, president Needles chamber of commerce, and K. C. Fuller, chairman city commissioners, Needles, and the crew of the ship.

## Desert Hot Springs Happenings

B. E. Dalzell, Frank Kibbey and Sam Dudleaux were named by county supervisors last week as an advisory committee to aid the board of supervisors on installation of lighting facilities at Desert Hot Springs.

The district was organized in July after an election in which the program carried by a large majority.

SALE of the Desert Hot Springs Sentinel by Mrs. R. Louise Emory, who has edited the paper since March, to Mrs. Jean Shannon, was announced last week. Miss Lillian Urquhart will continue as office manager and Jerome Storm as editor.

Mrs. Emory will make her home with her mother, Mrs. Helen Scott, in Culver City.

GUN CLUB members elected Jesse Shively, president; Paul Prize, vice-president; Mrs. W. K. Williams, secretary; J. C. McGee, treasurer; and Joe Harrison, instructor, at a meeting last week. Plans for the moving of the range to a new location were discussed and a drive for new members planned.

NEW OFFICERS were elected by the Improvement association in its meeting last week to fill out terms of officials who have resigned. Jerome Stern was elected vice-president succeeding F. D. Gallacher and Mrs. Richard Maher, secretary, to succeed Mrs. Edna Chamberlin.

Mrs. Chamberlin resigned because of the press of other work and Gallacher has moved away from the spa.

PAVING WORK in tracts one and two will commence as soon as all pledges are paid up. Frank Kibbey, chairman of the paving committee of the chamber of commerce reported at a meeting of the group last week.

Under the program lot owners pay \$25 per lot or \$110 per corner lot, for paving on West and Cactus drives.

Joe Bailey, president, presided at the meeting.

It has been found that insanity is more prevalent among civilized peoples than among primitive groups.

Jesus C. Maceas, 41, railroad section hand of Garnet, doesn't like the Palm Springs jail but because of his over-indulgence in intoxicating liquors, he made the city klink twice in one day.

Wholesale Firms, Others, Contribute  
to Fund to Publicize Palm Springs

As the twelfth wholesale firm to cooperate in the Palm Springs Chamber of Commerce advertising and promotion fund, the S. E. Rykoff and Co., wholesale grocers of Los Angeles swelled the fund with its \$25 check and sent along best wishes to the Chamber of Commerce in its promotional campaign.

"We are very happy to cooperate with you on your publicity and advertising campaign," said a letter from A. C. Ames, sales manager for the prominent grocery concern.

"WITH THE HELP of an enthusiastic organization such as yours, we know that Palm Springs will enjoy a most successful year. Enclosed please find a check which covers our contribution for the year. We wish you continued success."

The sentiments of the firm were echoes of similar expressions from the other "supplier" firms which have manifested a commendable interest in the future of Palm Springs. The 12 wholesale firms which have contributed to date have chipped in approximately \$600 to the special fund which is to be spent for photographic service, issuance of natural color folders to be distributed throughout the world, placing of advertising to reach millions of readers, entering displays in special celebrations, and the financing of a myriad of other activities.

**OUTSIDE FIRMS** which have contributed to the fund are as follows: Arden Creamery, \$50; Browning Coffee Co., \$50; Christensen Ice Cream, \$50; Damerel Allison Co., \$25; S. Del George, \$25; Desert Provision Co., \$100; Emerald Produce, \$25; Golden State Creamery, \$50; Redlands Citrus Co., \$25; Laura Scudder, \$100 and Sunset Tile Company of Redlands, \$50.

The firms contributions are over and above annual membership dues paid by many of the

companies for many years. Appreciation of the chamber of commerce for this cooperation has been expressed to the companies in personal letters, and reports of the fund expenditures will be submitted later.

## Opening Event at Tennis Club is Galla Affair

More stunning than ever with its handsome new decorations, the Tennis Club proudly opened its second season under the management of Lee Bering last Saturday night. Even though this was just a preview, the formal opening to be held later, the excellent food was enjoyed by a larger number of members and guests. The opening was a scene of much gaiety since it was one of the first times that the early-season arrivals had gotten together. Among the outstanding changes were the addition of a bar in the dining room, and the gay new upholstery.

Among the guests having large tables were Mr. and Mrs. Don VanDerGriff of Los Angeles with a table for ten; Mr. and Mrs. William Malouf who entertained Mr. and Mrs. Cliff Halsted, Mr. and Mrs. Kenneth Colborn, Mr. and Mrs. Lee Bering, and Mr. and Mrs. Tom Lyons; Muriel Fulton, hostess to a party of nine; Mr. and Mrs. Harold Murphy with a party of eight.

Other members having tables were; Mr. and Mrs. Austin MacManus and Mr. and Mrs. Walter MacManus; Mr. and Mrs. Earl Strebe, entertaining Gene Raymond; Mr. and Mrs. George Wheeler; Mr. and Mrs. Harold Hicks; Mr. and Mrs. William Talbot; Mr. and Mrs. Reed Hubbell; Mr. and Mrs. John Wood; Mrs. Hortense Murray and others.

## Exchange Vows at Church Here

Miss Geraldine Imken became the bride of Maurice Kilfay at a ceremony performed Sunday, Sept. 21, at the Community church by the Rev. Charles Blackstone Jr. at 2 p.m.

The next day the newlyweds, who spent their honeymoon on the coast, were guests on radio's "Meet the Missus" program.

They will make their home in Palm Springs.

Miss Willi Roberts Alexander has returned to Palm Springs for the season after a summer spent on the Hawaiian islands and later at Palo Alto.

## JOYA and JAYNO Tell All

**HAVE YOU HEARD . . .** that while in Los Angeles we saw Charlie Farrell who plans to move down to open the Racquet Club on the 15th of October. We're anxious to see the club because he tells us that it's having its face lifted . . . that at the same party we saw Bob Neal, Diana Lynn's current escort, who was in the Village recently looking over properties . . . that Cliff Henderson was there too, raving about the miracle of Palm Desert . . . that Harold Hicks, Pat and Harry Reid, and Barbara Brown were at the Los Angeles Tennis Club watching the matches in the Southwest Tennis Tournament . . .

**HAVE YOU NOTICED . . .** the ruffles and laces at Dorothy Gray's shop which re-opened last Saturday . . . that Mariadna Borden is back in town after vacationing at Toyon Bay . . . the umbrellas and dresses to match at Rosalie's? Children's sizes, much to our regret . . . the cover of the Villager, just as clever as the Wheelers themselves . . .

**DO YOU KNOW . . .** that Mary and Lyle Newcomer are back . . . that Bob Renker, pro at the Tennis Club, is here now with his family . . . that Donald and Florence Lockett saw the Kenneth Kirks, Louella Pinney, and Helen Clendennen while in Honolulu . . . that the Arthur Baileys are back in their home at Smoke Tree . . . that Jimmy Ritz, one-third of the famous brothers, came down last week to open his house . . . Billy de Wolfe was staying at the Del Tahquitz . . . that Peppi d'Luca is staying at the Lone Palm. He just sold the Chanticleer, his beautiful supper club on Sunset strip to Monte Proser of Copacabana fame. Wonder if he's planning a Palm Springs version of the Chanticleer . . . that Jack Leonard, the crooner, and Edna Ryan, Leo Durocher's extinguished flame, are both visiting in the Village . . . that the Harry Harpers are back? We confess we found out by reading the Publisher's Corner. Scooped again!

**DID YOU HAPPEN TO SEE . . .** the George Archers, the Bill Grants, the Phil Delanos, the Kenny Pauls, and the Elmo

Purnells dining at the Doll House . . . Charlie Morrison, owner of Mocambo, and Mary Kenody same place, same night . . . the H. B. Chessers of Reno, when they were here over the week-end? By the way, he purchased 9000 acres of desert land, BY THE WAY! . . . the gay Desmond's party at the Dunes Friday night which included Bob McKenzie, Grace MacDonald, Jack Fitzsimmons, and Larry Schultz . . . that Ham Johns and wife of Long Beach, were dining there also . . . He is now building a guest ranch just outside of Palm Springs . . .

**DID YOU CATCH THE SHOW . . .** at the Pago-Pago the other night? Add several shots of scotch, Sonny Tufts, stir with a microphone; result—what an act! Johnny Seamans painting the office the other day. Bob Beck and Russell Wade were also there . . . that Walter Reid (the actor, not the hospital) was putting on all week-end?

**IN CLOSING . . .** our least regards to the bats, crickets, and lack of parking space . . . our best regards to you!

## Villagers Wed in Ceremonies at Las Vegas

Announcement was made yesterday of the marriage of Virginia McKee Cross, daughter of Mrs. Homer McKee, and William R. Groschan, both of Palm Springs, at Las Vegas last Tuesday. The bridegroom is the son of Mrs. F. H. Groschan of Palm Springs and is a contractor with the Desert Construction company.

The rites were solemnized at the frontier hotel in Las Vegas and the honeymoon was spent in that city. They will make their home in the Village.

The new Mrs. Groschan was a Junior Leaguer in Sacramento where the McKees formerly made their home and, attended the Dominican convent at San Rafael. Mr. Groschan is a graduate of the Missouri School of Mines and a Kappa Alpha. He served in the U. S. Navy for four years during the war as lieutenant.

## Shirlee Hodge, Jimmy Cooper, Plight Troth

Shirlee Hodge of Riverside and Palm Springs and Jimmy Cooper, well known Villager, exchanged vows at Calvary Presbyterian church, Riverside, Sunday with the Rev. D. M. Gerow officiating.

The former Miss Hodge, for two years a businesswoman here, has been in Riverside since 1945. She is a charter member of the Los Compadres club and an active equestrienne for many years. She is the owner of two registered horses which she expects to bring to Palm Springs for the winter.

Mr. Cooper, charter member of Los Compadres and the Lions Club, is also a member of the Desert Riders and the Palm Springs Horsemen's association. He has been a local businessman for some time.

Mrs. Paul Taylor, sister of the bride, was matron of honor and Ted Martz, the bridegroom's brother-in-law, attended him. The ceremony was witnessed by members of the families and a few intimate friends of the couple.

The Coopers are honeymooning in the south, going from here to La Jolla, Coronado and then to Ensenada, Mexico, before their return to the Village and their home, recently completed here.

Under construction and planned for an early opening is a new building to house an interestingly planned new beauty salon for Mrs. Cooper on Highway 111, a few miles from Palm Springs in the rapidly developing Dude ranch section.

## Business Women Starts Season

First meeting of the season of the Palm Springs Business Women's club will be held tomorrow night at 8 o'clock at the Chamber of Commerce building, 310 North Palm Canyon drive.

All members are urged to attend as important plans for the new season will be on the agenda.

## Painter Injured in Ladder Fall

Arthur E. Borm, painter, was treated at Palm Springs Community hospital Friday afternoon for slight injuries received in a fall from a ladder. He was on a job on Hermosa place when he slipped and fell.

Taken to the hospital by city ambulance, he was given first aid and sent to his home.

## Doing the Village with Moya Henderson

It was a real whing ding pitched by Wall Spalding at his Araby Hacienda Saturday evening. Over seventy-five guests enjoyed barbecued lamb and everything to go with it, gathered round the old chuck wagon under a lovely desert moon.

The occasion of the party was the annual president's party, a Los Compadres tradition which began way back when the organization boasted less than half the present number of members.

This turned out to be just one of the many reasons for a party. The Spaldings wanted their many friends to join them in celebrating the third anniversary of their shop in Palm Springs.

Turned out to be Charlie Pott's birthday to boot so he received a nice fat cupcake sporting a fatter candle. Then too a sendoff was given Jimmy Cooper before embarking into matrimony, (couldn't hardly call it a bachelor party as all the bachelor's wives were present.)

Newlyweds Corinne and Cliff Campbell and Stella and Swede Davis were presented with wedding gifts from the club. What with accordion music, singing and plenty of good food, no wonder everyone had a good time. Wanda and George Allen lingered too long at the Doll House and missed the big event and of course Doll House host and hostess George and Ethel Strebe were too busy at their own establishment to make a party anywhere.

Marriages are in the spot light

this fall with two popular couples planning to make their vows in the near future. Feting Norma Jean Mabry, who will become the bride of Maurice Smith on October 25th, Mrs. Lorene Eskew gave a miscellaneous shower last Wednesday. Mary Delano not only welcomed her first grandchild into the family this month but is expecting a new daughter in November when Babs Neel will become Mrs. Wendell Delano.

Visiting the George Robersons this past week were the Ray Alfords of Newport Beach. Mr. Alford came back to join Mr. Roberson in some more dove hunting. Enthusiasts Barney Hinkle and Early Cordrey found time to get in a few shots this week too.

Harold West, Fred Ingram and Earl Hough toured up to the Coliseum Friday night to take in that UCLA-Iowa game and well worth the trip it was too.

**WEST COAST FOOTBALL** gives promise of being plenty exciting this fall from the results of this past week-end's games and local football should draw the Village crowds this year too. A newly lighted field will provide night ball for the fans and the high school eleven, with elegant new white suits, came out on top at their first fracas with Holtville.

An added attraction will be the high school band in snappy new white and maroon uniforms. The first home game will be played a week from Friday.

**"THE BEST STATEMENT** on the rent question I have heard in a long time was uttered by the Governor," declared Alworth. "He said," declared Alworth, "Until a man whose rent has been raised beyond his ability to pay can find accommodations compatible with his earnings, rent control is absolutely necessary."
